

DCM Report  
8-4-05  
Bob S District  
41 DCM

To all Home Groups and GSR's:

Please note that attending District Committee meetings, and Area Assemblies is part of the GSR's job description. Also, part of the GSR's responsibility is to make information from the District and Area known to his/her Home Group members, and the Group information known to the District and Area. If a GSR fails to do these things he/she denies the group the right of participation guaranteed in the Fourth Concept for World Service. If a GSR is unable to attend any of the required events, their Alternate GSR should. If a GSR has no desire to attend and participate, elect another GSR. (Refer to the AA Service Manual and Twelve Concepts for World Service)

Many thanks to all GSR's and interested members who have been involved in General Service at the district level. *Keep coming back!* District 41 still needs the participation of all the groups through their GSR's to help us move forward.

This month we have revision of our District Guidelines to deal with. We need as much input as possible to effectively guide us in serving all the groups in Johnstown.

On August 21<sup>st</sup>, 2005 the Area 60 Third Quarterly meeting will be held at the Butler Days Inn. It is not a *requirement* for GSR's to attend and participate, however, it certainly would help me to do my job as DCM to have input from as many GSR's as possible.

Tentatively a Special Fall Assembly is scheduled for October 9<sup>th</sup>, 2005 at the Butler Days Inn. Specifically, revision of the Area 60 Guidelines will be addressed. *Attendance and participation at Area assemblies is part of the GSR's duties.* Please try to attend or send your alternate.

As always, *all* General Service functions may be attended by *any* AA member, including all District and Area events. All interested members are encouraged to do so.
