

**District 41 / April 2014**  
**Literature Report**

Books have been ordered, so anyone waiting on books, specifically Big Books, they will be in stock shortly.

Coins are in good supply, though we are running low on 1 year coins and more are ordered and on the way.

I have printed a short run of 500 meeting lists to fill the gap while Jon is making the new edition. If you need meeting lists for your group, just ask!

I have checked in personally with most of the meetings – if I missed you and you still need books or chips, please contact me and let me know.

Kirk M., Literature Coordinator
