

January 20 2016 District 41 Meeting

DCM Report

Prepared by Kristen M.

Item 1: Meeting Alerts to Web Master Jon M.

If groups have changes to their meeting schedules, including special event announcements, please send the information to the Web Master, Jon M. He will post the info on the Johnstown AA web page.

Item 2: Request for Speakers at Twin Lakes

Eric from Twin Lakes asked for speakers to service an outside group. The voting members present at the district meeting agreed that announcing this request at meetings would be in violation of the traditions. However, the members agreed that spreading the word informally and outside of AA sanctioned activities would be acceptable,

Item 3: Grapevine Rep at the District Level

After the presentation about the Grapevine, the district decided to create a district level service position called the Grapevine Committee Coordinator. This person would be responsible for educating the district about the Grapevine as well as encouraging groups to name a Grapevine Rep to their groups.

Item 4: Tradition One

This month I spotlighted tradition one and its connections to group safety. Homegroup members should continue to think about how meetings are safe and welcoming, including emphasis on sponsorship, appropriate activity, and emergency responsiveness.
