

District 41 Elections

October 15th, 2014, 6:15pm
Hiram G. Andrews Center

District positions are held for 2 year commitments, and a number of those commitments are coming to an end, with new officers/coordinators taking office on January 1, 2015. These positions need to be filled by AA members with the willingness to serve. This is an excellent opportunity to put gratitude into action. These positions are not the only way to do this; only the number of willing participants limits the number of opportunities. There is much more to do. Come to the election and find out!
