

Please join us for the
Area 50 Archives Breakfast
on **Saturday May 4th, 2019**

for a humorous historical talk by Arnold R. of Baltimore!
With almost four decades of recovery, the loads of experience and interest in our history have created a passion to share what AA has brought to his life. He was Maryland's panel 46 delegate who went on to be a General Service Trustee, and is best summed up by a statement he wrote that he tries to keep himself "available as a resource to current trusted servants."

You won't want to miss this!
