Bob S District
41 DCM

Our District committee meetings will be held at 6:00pm on the first Sunday of each month in the seminar theater at The Hiram G. Andrews Center, 727 Goucher St. in Johnstown, beginning on February 5th 2006. All AA members are welcome. It was necessary to move our district meeting because the location we were using will no longer be available to us at the end of January .

- On December 17th 2005, Laurel Highlands Intergroup hosted a Christmas party, which was well attended.

- On January 12th 2006, the East Hills Group's 25th anniversary meeting was well attended. It was nice to have some "out of town" guests there.

- On February 21st 2006, the Longtimers group will hold its 10th anniversary meeting at 7:30 pm with an open speaker meeting. Everyone is welcome to attend. A flyer can be viewed and downloaded at our district website at www.johnstownpa.com/district41

We look forward to helping out in District 17's Day Of Sharing.

Thank You
